

Details for Quote for Eco Thermal Window Blind/s

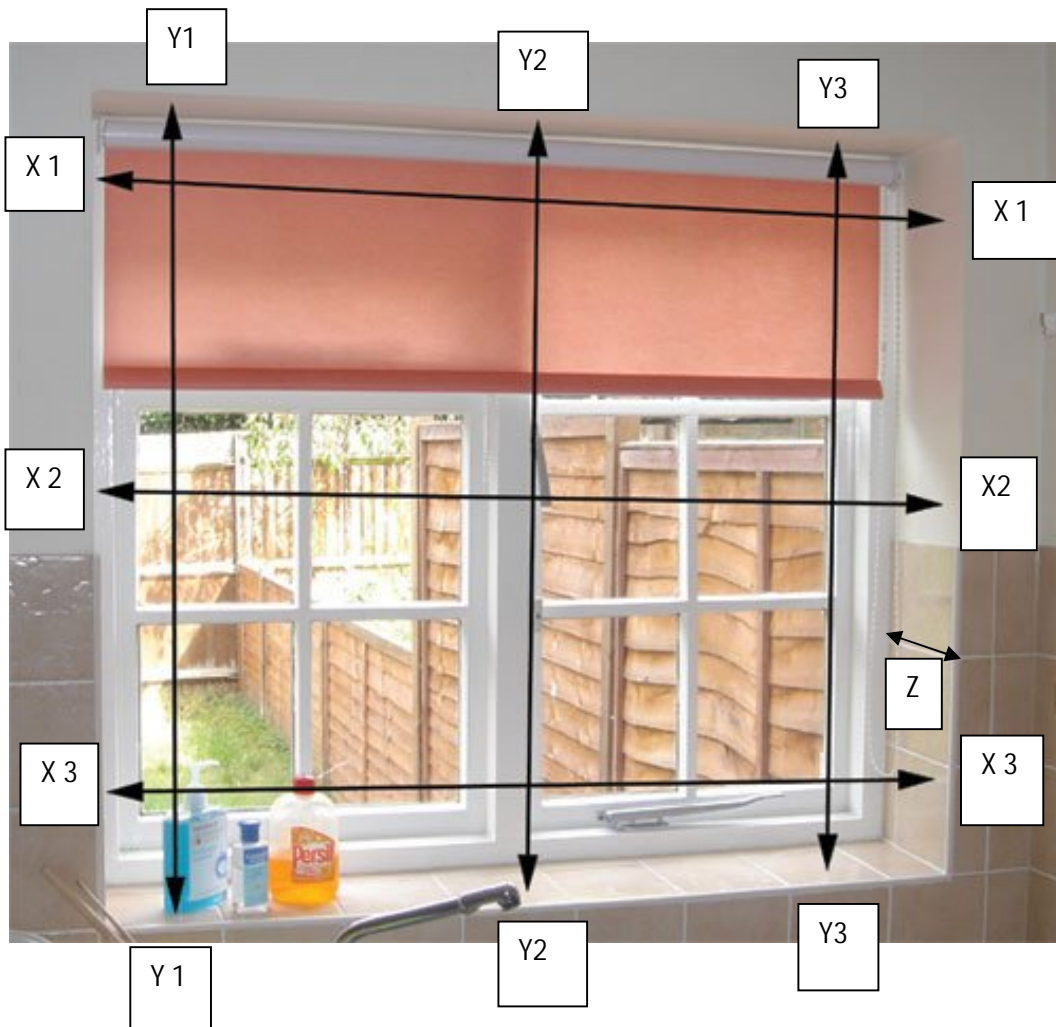

These Blinds are custom built to your specification. You need to make a note of the measurements for each dimension of the sizes of X1, X2, Y1, and Y2 etc on paper. Please use a metal tape measure to take your measurements for accuracy.

Select the colour frame and fabric & use link info@meritblinds.co.uk with your measurements, frame colour and fabric.

NB You will not be able to edit this PDF unless you have a PDF program to do so.

Choose Frame Colour

Step 1 White Cream Silver

Select Colour of Fabric on below.

Fabric Range Selection

Key B/O = Blackout
D/O = Dimout
QQIG FS = Flyscreen

NB All fabrics with the exceptions of the Metz collection and flyscreen are available as dimouts.
If you would like a dimout fabric quote then just add a T on the end of the numbers for your quote.
eg 0008 White would be 0008T for the dimout blind.
